

DUCTPRO® ALL-WEATHER

RESISTANT TO WEATHER CONDITIONS

This polyethylene (PE) coated cloth tape has an aggressive pressure-sensitive natural rubber adhesive that offers superior adhesion and excellent shear resistance. It is designed to answer the consumer's need for a general purpose duct tape that can resist all-weather conditions.

FEATURES & BENEFITS

- High performance in extreme weather conditions
- Natural rubber/resin adhesive
- Cloth reinforced backing made of polyethylene
- Aggressive adhesion
- Water and moisture resistant
- Durable and strong
- Easily tear by hand
- Conforms well to irregular surfaces
- Tested in accordance with UL-723

PRODUCT ATTRIBUTES

Product Code	382214833
Description	DUCTPRO® All Weather Duct Tape
Dimensions (mm x m)	48 x 33
Rolls/Case	12
Product UPC	0 67735 38221 4
Color	Silver
Thickness (mil)	11
Tensile (lb/in)	20
Adhesion (oz/in)	50
Elongation (%)	18
Cases/Pallet	120
Case UPC	1 00 67735 38221 1

PRODUCT APPLICATIONS

- Sealing, seaming & bundling
- Indoor & outdoor applications
- Weather-proofing
- HVAC applications
- Asbestos / lead / fiberglass abatement
- Gasket material for flexible duct connections
- Temporary wrapping
- General maintenance

MARKETS

- Consumer
- HVAC
- Abatement
