- A safe and easy way to split logs into kindling for wood burning stoves and fireplaces, campfires, firepits, and more.
- Splits firewood with less force than an axe.
- There is no moving blade or sharpened object to pass by your hands. The hand ground sharp blade with slanted alternating fins split at an angle to prevent jams.
- The kindling splitter can be simply mounted on a stump or secured for permanent mounting with 4 bolt holes on the base.
- Lifetime Reliable Quality and Virtually maintenance free. The Kindling splitter is made from #45 high grade cast steel with an all-weather coating to provide many years of service.
