

2024 FALL BOOKING

BOOKING: MAY 1st to JUNE 14th, 2024

SHIPPING: SEPTEMBER 1st – 30th, 2024

PRICES VALID UNTIL JUNE 14th, 2024

All previous agreed upon discounts or terms cannot be applied to Booking prices.
Not valid in conjunction with any other offer or discount. Prices listed exclude any applicable taxes.
Great care has been taken in the preparation of this Booking, but errors in product description,
visual representation and pricing may occur. In the event of a pricing error, the item in question
will always be charged at the correct price as defined by Toolway Industries Ltd. All rights reserved.

ELECTRICAL / LIGHTING

Designed for safety and durability. Weather resistant heavy duty string lights are an ideal solution for construction and work sites, renovation projects, parking lots or other large areas where temporary lighting is required. Use to provide temporary lighting indoors or outdoors where lighting is required. Suitable for construction and job sites, attics, garages, basements, etc. For general contractors and electricians alike, proper job-site lighting can improve productivity and workers safety. Resistant to all weather conditions, thermo-vinyl jackets give added flexibility in temperatures below freezing. Molded-on, weather-resistant light sockets are spaced 10' apart. An integral hook on the top can be used to attached to a messenger wire. Sockets will accommodate up to 200-Watts. All connectors are molded on, weather-resistant and will not pull apart from the cord.
