GARAGE/CONCRETE PUSH BROOM HEAD

18" Stiff Bristle Garage Concrete Floor Push Broom Head is suited for virtually all applications over all surfaces. Tampico is a very resistant material, but with a very fine, delicate and smooth texture. It has abrasive qualities which makes it ideal for sweeping applications. The fibre is extremely strong and hard-wearing, and is resistant to attack by many chemical solutions and solvents. Being a natural fibre it has excellent anti-static properties, degrades completely naturally with no harm to the environment and is harvested from a completely renewable source.

FEATURES Soft to medium texture with good durability. An overall "all purpose" broom that is ideal in any warehouse or indoor facility where fine particles need to be swept or picked up.

DUST PAN METAL

- Made of sturdy metal
- Ribbed for superior strength
- Extra wide design for maximum efficiency
- Thin front edge for maximum dirt pickup
- Integrated hanging slot to save space
- Sharp edge makes it ideal for sweeping fine particles without leaving dirt on the floor
- Features hanging hole for storage Keep your space clean with the M2 black metal dust tray.
- Made of sturdy metal; this dust tray is built to last through repeated use.
- Ribbed design adds superior strength and durability.
- This dust tray includes a slim front edge to allow maximum pickup and prevents annoying dirt line from being left behind. The integrated hanging slot means you can save space and store the product when not in use."

Q-STAR MICROFIBRE NON-WOVEN CLEANING CLOTH

- Q-Star Cloth is a durable microfibre cloth designed for streak-free cleaning
- Quick and easy handling due to low friction on all surfaces
- Very highly resistant to chemicals with a streak free cleaning
- Microfibre is a super fine synthetic fibre, so fine, that its diameter is smaller than that of human hair.
- This unique ability gives Microfibre cloth special qualities that set it apart from other regular cleaning products.
- Microfibre cloths for cleaning are made from polyester and polyamide.
- While the polyester provides the structure of the cloth, the polyamide increases density and absorption.

HEAVY DUTY TOILET BOWL CLEANING GEL

- HG heavy duty toilet bowl cleaning gel
- safe on glaze; stainless steel and chrome powers through even the most stubborn scale and deposits
- Difficult to remove deposits can form in any toilet. Problem buildup such as persistent limescale; urine stains; or other difficult to remove deposits can occur on the inside of the toilet bowl; invisibly under the rim or drain.
- The buildup under the rim means the toilet is never hygienically clean - it can cause a musty odour and it reduces the flush action of the toilet.

HG**DESCALER FOR APPLIANCES**

For hot-water equipment
Removes scale and limescale
Extremely effective

HG appliance de-scaler quickly removes scale and limescale from coffee machines, electric kettles, washing machines and most hot water equipment. It is safe and suitable to use on all appliances. Large scale and limescale deposits force the heating elements to use more energy, which makes them less efficient and speeds-up wear and tear reducing their lifespan. Scale deposits left untreated can also affect the flavour of the coffee.

HG®**IN-WASH ODOUR ELIMINATOR FOR SPORTSWEAR 500G**

Efficiently removes nasty smells
 Also perfect for towels and other clothing
 Sufficient for approximately 16 washes
 HG In-Wash Odour Eliminator for Sportswear is an extremely effective formula that removes odour molecules that have penetrated deep into clothing fibres. This helps eliminate unpleasant odours in sports clothing caused by perspiration or extended time spent in sports bag, laundry baskets or washing machines that basic washing detergent cannot. These unpleasant odours can be activated and become more noticeable as soon as the washed clothing is ironed or worn.

**ALL SURFACE ODOUR ELIMINATOR**

Does not mask but removes the source of the odour once and for all

Works within 30 minutes

HG eliminator of all unpleasant smells at source is an effective and organic way to remove unpleasant odours caused by urine, excrement, vomit, pets, nicotine, fruit, vegetables, and other sources of odours. Rather than masking the odour, this product removes its source by means of natural enzymes and microbes to ensure the unpleasant odour will not return. The product can be used on nearly all absorbent surfaces.

**BEDROOM MATTRESS ODOUR REMOVER**

HG mattress odour remover does not mask; but removes the source of the smell for regular freshening up and to remove problematic odours works on the basis of natural enzymes and microbes works after just 20 minutes. Mattresses can start to smell less fresh over time. Normal night time perspiration and other bodily fluids can cause unpleasant odours.

HG mattress odour remover has been developed for regular; convenient; hygienic and organic freshening up of a mattress preventing unpleasant odours.

This product formula has natural enzymes and microbes; which means odours are not masked but removed effectively and the mattress is hygienically fresh again.

CLEAR LAMP OIL - KEROSENE BASED

- 710 ml net content
- Recochem's top quality kerosene-based lamp oil is specifically for use in mechanically adjustable wick feeding lamps with glass chimneys.
- For best results; keep the wick short and trim or follow the lamp manufacturer's directions.
- During long burn periods; the wick will require regular adjustment to prevent smoking and soot damage.

85014581	Mfg# 14-573	SIZE 710ml	Kerosene
CASE 0	6	UPC/BARCODE 56438145738	

CLEAR LAMP OIL - PARAFFIN BASED

- Recochem's quality paraffin-based lamp oil produces a bright flame and burns without smoking.
- Designed for use in wick feeding lamps or lamp candles, it is recommended to keep the wick short and trim for best results.
- During long burn periods, the wick will require regular adjustment to prevent smoking and soot damage, even when using smokeless lamp oil.
- Note: Exposure to direct sunlight causing condensation inside the lamp, air draft, wick's condition and height can cause the lamp to smoke

85014673	Mfg# 14-673	SIZE 710ml	Paraffin
CASE 6	6	UPC/BARCODE 56438146735	

MOTH BALL PACKET

The Recochem line of moth preventatives has an excellent reputation for eliminating insect damage to clothes and other stored items. All the products are reliable sellers that move quickly in spring and autumn. Our Moth Balls have been converted from Naphthalene to Paradichlorobenzene products. Now 99% pure Paradichlorobenzene; the moth killing power is twice as effective as the traditional naphthalene product. As the paradichlorobenzene evaporates it creates a vapour that kills moth larvae and carpet beetles. It will not stain clothes and removing the distinctive odor is easy just air garments outdoors. The moth balls are a consumer favourite; because they are a traditional and inexpensive method of moth prevention.

35PK FLEX N SEAL LARGE FOOD STORAGE BAGS

Glad® FLEX'N SEAL™ food storage zipper bags stretch to hold more and to lock in freshness. Designed to hold 30% more, these zipper bags stretch around food of any shape while maintaining a tight seal. Glad® FLEX'N SEAL™ helps keep your food fresher 3X longer based on moisture-loss data versus no protection and stretches to prevent rips and tears. So whether you are bagging your oversized sandwich, storing fruits and veggies or marinating meats or poultry you can ensure it stays fresh and securely in the bag. Seal in the freshness with this large size zipper bag and take food from freezer to microwave with ease and less mess. Perfect for packing extra large sandwiches and your favorite snacks, baked goods or leftover meals, but also handy for storing herbs, spices, nuts and even travel toiletries. Glad® has the right size for everything from sandwich, food or freezer storage to keep your food garden fresh and tasting great. Pack it in and seal in the goodness with Glad® FLEX'N SEAL™ Zipper Bags.
