MULTI FUNCTION WORK BENCH

- Tool tray for keeping tools for workbench/platform mode.
- · 2-in-1 hook for separating tool tray and hanging tool bag.
- 109x55cm work surface with ruler and compass.
- 200kgs/440lb loading capacity for scaffold/platform mode.
- 100kgs/220lb for other modes.
- Two fixed wheels and two steering wheels with brakes.
- Two vice pegs and two connection ports for the quick clamps.
- · patents protected in main global markets.
- customized color, brand & colorbox based on MOQ.
- Overall Size (Folded): 108.5x54.5x15.5cm.
- Overall Size (Full Extended):139x59x78cm.
- Height: 52cm (Scaffold/Platform) / 78cm (Workbench/Sawhorse) without socket.

hook

and ruler

non-slip feet

platform mode

CAR CREEPER AND DOLLY MODE

Equipped with four 2" caster wheels (2 swivel) so it can be used as a dolly or car creeper. Towing bar allows you to connect a rope in order to pull the dolly.

WORK BENCH AND SAWHORSE MODE

Includes 2 vice pegs and several anchors which allow you to attach a quick clamp. The surface of the workbench has a built-in ruler and protractor allowing you to measure and cut all on one surface.

SCAFFOLD AND PLATFORM MODE

In scaffold mode the workbench provides a sturdy surface to help you paint or access hard-to-reach areas. While in workbench mode, pull out the handle and the workbench becomes a work platform. Removable parts tray slides over the handle and provides a convenient way to access parts and tools.

HAND TRUCK CART MODE

Simply pull out the handle and the workbench becomes a hand truck! Perfect for moving items around, the hand truck can hold up to 330 lbs. The 2" caster wheels allow you to maneuver easily, and lock in place.

LIFTER MOVING HARNESS

The Ready Lifter™ is the best way for a homeowner or renter to move furniture; appliances; mattresses; electronics; etc. Movers use leverage instead of brute strength. By lifting with your legs; and carrying the load on your shoulders; the items feels lighter. Great tool to use when you are moving houses or apartments. Small and compact; keep it in the trunk for those unexpected times you need to move things. The Shoulder Dolly works for both men and women; regardless of height. The Ready Lifter™ allows your hands and arms to be free to open doors; hold onto handrails; or to stabilize the object. It is ergonomically designed to allow movers to stand upright when going up or down stairs. The Ready Lifter™ helps avoid damage to walls; floor and doors that are common when using hand trucks. The recommended carrying capacity is up to 600 lbs.: however; that is subject to the lifters ability. If the item is 600 lbs.; each person will need to lift approximately 300 lbs. each. Includes 2 harnesses and one 12 ft long x 3 in wide lifting strap. Fits most body types up to a 46 in chest.

- 100% adjustable to lift items up to 9 ft in length
- · Free hands/arms: use your hands and arms to balance and stabilize your
- · Movers are able to open a door; without setting the item down
- · Safer than just using your back; hands; biceps and forearms
- · Can be used to carry loads up and down stairs
- · Will decrease back strain by allowing your full body to lift the item
- · Reduces damage to houses; floors; and doors from moving dollies
- Includes 2 harnesses and one 12 ft long x 3 in wide lifting strap.
- · Fits most body types up to a 46 in chest
